and Educators*

What is Texas ProStart®?

Texas ProStart is a high school restaurant management and culinary curriculum designed to build our industry's future workforce. Students gain valuable restaurant and foodservice skills through their academic and workplace experience.

See how students can benefit from this exceptional program.

How It Works

Students in the Texas ProStart® program learn in the classroom, gain experience working side-by-side with the industry's top professionals and showcase their skills in state competition.

Students who receive qualifying scores on two National exams and complete 400 hours of industry work experience earn the ProStart National Certificate of Achievement and are well qualified to begin a career in hospitality or continue on to post-secondary training at more than 70 culinary arts and hospitality schools around the country! Various scholarships are also available for those who qualify.
