

**Feeding Dreams.  
Building Futures.**

*Restaurateurs*

# What is Texas ProStart®?

Texas ProStart is a high school restaurant management and culinary curriculum designed to build our industry's future workforce. Students gain valuable restaurant and foodservice skills through their academic and workplace experience.

See how the restaurant industry can benefit  
from this exceptional program.

# How It Works

One challenge restaurateurs face is finding qualified, highly-skilled employees. Texas ProStart® can help.

By hiring a ProStart student, you will gain a motivated employee that is focused on the industry as a career. You will also be contributing to the industry by helping create a high-quality labor pool.

The program and curriculum teach, among other topics: safety and sanitation, kitchen essentials, management essentials, customer service, leadership, and much more!
